

Application No. 10/728,857 (Cardno)
Reply to O.A. of Jan 11, 2007

Amendment to the Specification

Replace the sentence on page 10, lines 9-11, with the following new sentence:

'The representation ~~300~~ [200] could show interactions associated with the gaming machine 106 over a pre-specified or default time interval.'

Replace the sentence on page 11, lines 7-8, with the following new sentence:

'Data representing interactions could include turnover, stroke, gross revenue and net revenue and could also include theoretical values for these.'
